NORTHERN DISTRICT OF TEXAS  
WICHITA FALLS DIVISION

Revised 9-10-07

To: All Attorneys of Record Appearing in a Case Designated for Enrollment in the Electronic Case Files System (including Attorneys in *pro se* cases)

STANDING ORDER<sup>1</sup> DESIGNATING CASE FOR ENROLLMENT  
IN THE ELECTRONIC CASE FILES “ECF” SYSTEM

The court has determined that this case will be enrolled in the Electronic Case Files (“ECF”) system as an ECF case. Therefore, it is **ordered** that all counsel of record must register as an ECF user **within ten days of receipt of this order**, if they have not already done so. Only licensed attorneys may submit documents for electronic filing. *Pro se* parties (including prisoners) will not be permitted to register as ECF users or submit documents electronically. To register, counsel must:

1. Review Miscellaneous Order Number 61;
2. Review the ECF Administrative Procedures Manual;
3. Complete the online attorney tutorial for ECF training;
4. Review the ECF User Guide;
5. Complete the ECF Attorney/User Registration Form and forward it to the Clerk’s Office; and
6. Ensure that any attorney granted *pro hac vice* admission as co-counsel in this case also registers as an ECF user.

---

<sup>1</sup> Upon opening a new case, the clerk must enter this Standing Order. If the plaintiff or petitioner in a civil action is proceeding *pro se*, the clerk may not distribute this order unless there is an order for process to issue. If process is ordered to issue, the clerk is directed at that time to send a copy of this order to the defendant or respondent with the service of the summons or show cause order.

**Please Note:** The designation of this case as an ECF case and the accompanying requirements are **mandatory**. Any request seeking leave to be excluded from this designation must be in the form of a written motion and is subject to a hearing.<sup>2</sup>

**Duty of Initiating Party  
to Serve ECF Designation Order upon Opposing Party**

It is further **ordered** that in a civil ECF case, the party initiating the action in this court must serve a copy of this order on the opposing party(ies) with the service of process or within five days of receipt of this order, whichever is later. If an additional party is joined in a civil ECF case at a later date, the party joining the additional party is **ordered** to serve a copy of this order on the additional party within five days of when the additional party is joined.

In a criminal ECF case, it is **ordered** that the government serve a copy of this order on defendant's counsel when defendant's counsel makes an appearance in the case on behalf of the defendant.

**Electronic Case Files Requirements**

After an attorney is registered as an ECF user, the attorney shall submit all documents for filing in this case using the ECF System. In doing so, counsel must observe the following directives:

---

<sup>2</sup> If the court initially grants an attorney permission to submit documents for filing on paper, the court may withdraw that permission at any time during the pendency of a case and require the attorney to re-file documents electronically using the ECF system. An attorney who is granted permission to submit documents for filing on paper will be required to include with each paper document a disk or CD-ROM containing an electronic copy of the paper filed with the court in portable document format ("PDF").

1. **Governing Documents:** The case will be governed, unless otherwise ordered, by Miscellaneous Order Number 61, the ECF Administrative Procedures Manual, and the ECF User Guide.
2. **Service of Documents upon Non-ECF Users:** Service of documents upon non-ECF users (including *pro se* litigants) must be effected on paper in a manner authorized by Federal Rule of Civil Procedure 5.
3. **Judge's Copies** ("paper copies" of filings in ECF cases): Each judge has specific requirements regarding the duplicate copy required by LR 5.1(b) and LCrR 49.2(b). These requirements are available on the court's website at [www.txnd.uscourts.gov](http://www.txnd.uscourts.gov) under "ECF Information." Each required judge's copy must be marked "Judge's Copy," must have a copy of the Notice of Electronic Filing<sup>3</sup> for that document affixed as the first page, must be delivered to the court within **three business days** of the date of filing of the original document and must be in the form required by LR 10.1 and LCrR 49.3. The court, in its discretion, may decide not to begin its consideration of the document until it has received the required judge's copy. The burden is on any party seeking immediate relief to immediately furnish the required judge's copy. Furthermore, failure to follow the judge's copy requirements of the presiding judge may result in the documents being unfiled. If the judge's copy is mailed directly to the

Please see the magistrate judge's order for details.

by the court. Attorneys are cautioned not to file prematurely a document that requires leave of court to file.

6. **State Court Records:** In habeas cases, state court records shall be delivered directly to the chambers of the presiding judge (NOT to the clerk's office). A "Notice of Delivery of State Court Records" shall be filed electronically indicating the date on which state court records were sent to chambers and the method by which such records were sent.
